

The programme of the festival

Wednesday special

Try the delicious food in the loungey Lindenberg 23 cafe-restaurant during the opening salon! For this night the kitchen will stay open until 21.00 o'clock. This Wednesday is also a good opportunity to go to LUX for the movie 'El Café de los Maestros'.

Thursday special

After last year's lovely surprise of the Tango Music Fusion JAM, we've organised another one for this Festival. Thursday is Fusion day! This time in a bigger place that hosts regular Jazz Jam Sessions with Nijmegen's best Jazz musicians.

Julián Peralta

For this JAM session we introduce special guest Julián Peralta and other musicians from Asterillo Tango, who will be a guarantee for an extraordinary musical journey. The JAM is musically coordinated by Iwan Harlan, who's musical motto is: "Form plus freedom equals improvisation." It will be possible to dance in the Kolonie from 17.00 – 19.00 and continue with a fine tango menu (make your reservation). Of course, not just the dancers but also tango musicians are more than welcome!

Friday Special

The Friday night is full of diversity and surprises; the presentation of the winner of the Music Concurso 2009, the show by Judith y Constantin, and the Vinyl Salon with LP's from Remi Kooij's unique tangocollection selected by DJ JUR... Witness the end of this salon that will be accompanied by the first Camparsita ever made!
